

PARTNERSHIP WITH AMARKETS

AMarkets is a global financial broker, which offers unique and lucrative partnership programs, providing high-profit, and risk-free opportunities to earn in the financial markets.

Bring clients to AMarkets and get high remuneration based on one of the provided types of partnership:

TYPES OF PARTNERSHIP

WEBMASTER CPL + CPA

Fixed payouts in two stages: qualified registrations and funded accounts (i.e placing first trades at AMarkets)

AGENT REVENUE SHARE

Stable commission based on referred clients' trading volume.

HOW IT WORKS

A Partner directs traffic to AMarkets' website.

Once the clients register their accounts, the Company pays **for every registered, qualified lead**.

When clients fund their accounts and a required trading volume is reached, a **Partner receives remuneration depending on the amount of Net Deposit (Net Deposit = Deposit - Withdrawals)**.

A Partner registers his clients using different tools provided by the Company.

Clients fund their accounts and start trading.

The following day, when trades are closed, **the Company pays commission based on clients' trading volume and the Partner's remuneration rates**.

WHY IS IT BENEFICIAL?

- + High one-time payout independent of referred clients' trading activity.
- + Immediate payouts as soon as all the criteria are met.
- + High payouts depending on the number of leads and fair lead generation process from the partner.

- + Stable income during the whole period of referred clients' trading activity.
- + High commission rates and three-level partnership system to generate passive income.
- + There is a system of additional bonuses for successful and effective partners, based on the results of their work.

- + Detailed and transparent reports and statistics
- + A wide range of marketing tools and a reliable referral system
 - + Daily payouts in US dollars without any withdrawal limits.
 - + Commission free withdrawals -100% income to the Partner!
- + The Partner has a wide range of payment options to choose from.
 - + Simple and fast verification process
 - + Great product, which is easy to sell!
